## POOR SHOWING AT B. A. A.

**Tech Wins Place in But One Event. Both Relay Teams Defeated.**

The M. I. T. A. A. was not as prominent in the B. A. A. games at Mechanics Hall, Saturday evening, as was expected. In the individual events only two men appeared. E. P. Noyes, with a 9-ft. handicap, won the first trial heat of the 40-yard dash in 4 3-5 seconds, but did not make a place in semi-finals. R. D. Farrington showed excellent form and amid a field of excellent high jumpers, won second place with a handicap of four inches. His actual jump was 5 ft. 7 1/2 in.

The 340-yard relay race between Tech and Bowdoin resulted in an exciting contest. Bowdoin took the lead and held it throughout the race. Thomas who ran first for Tech and Gibbons who ran second, both showed excellent running ability and kept well up to their opponents. Blackburn allowed considerable lead in the third relay, but this was made up by Williams who ran one of the prettiest races seen in some time. Twice he attempted to pass the Bowdoin man but was set back at the turns. Bowdoin finally won by 4 yards in 3 minutes 18 1-5 seconds.

Dartmouth had a comparatively easy race with Tech in the 780-yd. relay. Shipley took the lead and was passed by Howe. After running a lap, Shipley again took the lead and had opened up four yards when relieved. The next three relays opened up more and more space, until at the finish Dartmouth was twenty yards ahead. Time, 7 minutes, 28 3-5 seconds.

In the shot put Capt. Lindsly and Paquet were entered, but were soon outclassed by the stars in this event. Ralph Rose of the Chicago A. C. won the shot put by a put of 47 ft. 9 in.

In the 1000-yd run Howard, '06, Allen, '06, and Clapp '06, were entered, but were distanced by the excellent runners in this event.

The prizes for the Indoor Meet will be on exhibition today. Tickets for the Meet will be put on sale today. The number is limited to two hundred and fifty. Admission 25 cents.

## TECH WINS FROM AMHERST.

**Game was Fast and Closely Contested Throughout.**

In its first game for several weeks the Basket Ball Team won from Amherst by a score of 26 to 23. During the first half Tech played all around her opponents, running up a score which it was impossible for Amherst to overcome by her brilliant attempts in the second half.

The goal shooting of Wiggins for Tech and Beach for Amherst were the features of the game. Wiggins threw seven baskets and Beach six. Blake for Tech was very steady at throwing goals from fouls, making eight points that way. Summary:

M. I. T.	AMHERST.
Blake, lf.	Clough, rb.
Mathieson, rf.	Anderson (Ryan) lb.
Wentworth, c.	Greenway (Crock) c.
Burleigh (Frederick) lb.	Delabarre, rf.
Wiggins, rb.	Beach, lf.

Score—M. I. T. 26, Amherst, 23. Goals from floor—Wiggins 7, Beach 6, Clough 2, Blake, Mathieson, Greenway. Goals from fouls—Blake 8, Beach 4, Anderson. Referee—Briggs. Umpire—Pierce. Timer—Patch. Time—20 minutes halves.

Second Team, 16; Malden H. S., 23.

In the Basket Ball game with Malden H. S., played at the Malden Y. M. C. A., Saturday night, Tech started off in a brilliant style by scoring nine points before Malden could do anything. After this first spurt, however, little was done, and Malden won by a margin of seven points. The best playing for Tech was by Deavitt, Lyon and Gregory. The summary:

MALDEN, H.S.	TECH 2d.
Carle, rf.	Belcher, lb.
Morton, lf.	Goldthwait, rb.
Howard, c.	Gregory, c.
Hill, rb.	Lyon, lf.
Gould, lb.	Deavitt, rf.

Score—Malden 23, Tech 2d 16. Goals from floor, Morton 4, Gould 3, Howard 2, Carle, Goldthwait, Gregory 3, Belcher, Lyon, Deavitt, Goldthwait. Goals from fouls, Morton, Gregory, 2. Referee, Tobin. Umpire, Gidney. Scorer, Badcock. Timer, Gatecomb. Time 20 m. halves.

## SOPHOMORE NOMINATIONS.

**"Technique" Electoral Committee Candidates to be Balloted For.**

A meeting of the Sophomore Class was held in Huntington Hall, Friday at 1 p.m., with a large part of the class present. The matter of choosing the *Technique* Electoral Committee was brought up and a heated discussion was held as to how the committee be chosen. Some favored the plan of putting the whole class in nomination and voting for twenty-five men, others claimed that the better way was to have regular nominations, each nomination to be signed by ten names. Many good speeches were made setting forth the merits and disadvantages of each method and after two motions, the latter plan was adopted and the nominations will be conducted in the usual manner, a committee being appointed to receive the signed nominations. These ballots should be handed in at the Cage this week.

When the *Technique* committee was disposed of, the subject of a base ball manager was brought up and C. D. Howe, manager of last year's championship team was unanimously elected. The meeting adjourned at 1.45.

### 1907 Election Committee.

WILLIAM A. NICHOLS, PRINTER, 208 SUMMER ST., REAR

Those who remember the B. A. A. Meet of two years ago cannot but note the contrast between the showing Tech made at that time and that which was made last Saturday night. That Tech could not do as well as many of the secondary schools, and could not in the team races make it even interesting for her opponents, is evidence that something is radically wrong with our track athletics this year. Either the best men are not trying in an earnest way, or else they are not being properly trained.

If we are to have a creditable Track Team this Spring it must be the result of a lot of hard, self-sacrificing work on the part of all those concerned. Nor must the undergraduate body neglect its own large part in the making of a successful Team. The student body cannot remain a passive participant—onlooker had almost been written—and expect the men on the Team to win their meets. At least a reasonable amount of interest and encouragement must be shown if the Track Team is to be at all representative of Technology.

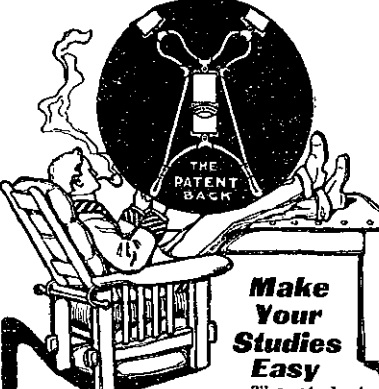

The Indoor Meet which occurs Thursday evening has always proved a good index to the quality of the Track Team which we are to have during the succeeding Spring. It is strongly to be hoped that the meet

this year will have not only a large list of entries, but also an enthusiastic attendance.

Tonight, at eight o'clock, the Tech Varsity Basket Ball Team plays Harvard, and the Second Tech Men Team plays the Harvard Second. Come out and help them win! The student body has not shown the right spirit during the present Basket Ball season. There have been some men who have supported the teams faithfully, but they have been exceedingly few.

You can certainly spare an hour or two for this game, which will be well worth seeing simply as an exhibition of basket ball, and by doing so can help to give the men their much needed and well deserved encouragement. Harvard's scores this season show an unbroken record of victories. Come out and help Tech defeat her!

In regard to the call for men for the Show there is no necessity of saying anything to the men who have taken part in previous years. They know the fun and the benefit that come to participants and will be on hand this afternoon. To those who wish to try for the Show but are for one reason or another undecided, it may be said that, while the principal parts require considerable ability, it is generally found possible to find a part in the chorus or ballet for all those who try consistently for a place. If you have the slightest talent or desire to take part, you should certainly attend the meeting at the Union this afternoon.

Hollis Street Theatre.

There has been a lively sale at the box office of the Hollis St., indicating the popular interest in the production of "The Winter's Tale." Miss Allen is especially a Boston favorite, for this the home of her girlhood. She appears in the dual characters of Hermione and Perdita. She has given the play an especially strong company.

Park Theatre.

Annie Russell will open her second week with to-night's performance of "Brother Jacques." This play from the French will hold the local stage for the coming week only. For the third and last week an entirely new drama by I. Zangwill, entitled "Jimmy, the Carrier," will be offered.

Tremont Theatre.

Lew Dockstader and his great minstrel company will be the attraction at the Tremont to-night. This year's production from the opening part to the final curtain will be entirely new and will contain many original novelties. The entire performance will be given in blackface.
